Vol. 1 No.1 1998

Nerine in the New Zealand of the 1970s Roger Beauchamp
 Cyrtanthus.-neglected by Nerine Enthusiasts? Paul Chapman
 Society aims and objectives Roger Beauchamp

Vol.1 No.2.

Echoes from the past Roger Beauchamp
 Scent in the Genus Nerine. HJ Dalton
 Why don't my Nerines flower? The Dutch way- 1957
 The English way-1966.

Nerines in the United States Charles Hardman

Vol.1 No.3.

The start of interest in Nerine. Marion Wood
 Memories of Stanley Smee. Gerald W Goddard
 Hippeastrum Developments. Veronica Read
 South African Bulbs. Terry Smale

Vol.1 No.4.

The fascinating world of Nerines. LL Mead
 Lycoris Roger Beauchamp
 on the cultivation of Nerines (Oct 1970) Stanley Smee

Vol.2 No.1 1999

The bi-centenary of the Hybrid Hippeastrum.

Small is beautiful- Snowdrops

Letters- Barrie Ward, Marion Wood

Twin scaling

1999 April

Hippeastrum 'Germa' Veronica Read

Draft Constitution

Plant & Bulb Exchange

1999 July

In the History of Crinum

Nerines-an aspect of watering SW Smee

1999 November

Where to plant *N.bowdenii* DF Lee
 An Exhibit of SA *Hippeastrum* hybrids (Hadeco) Veronica Read

2000 January

Growing media Ken Hall
 Developments in *Hippeastrum* hybridisation 1799-1999 Part 1. Veronica Read

2000 April-May

Developments in *Hippeastrum* hybridisation 1799-1999 Part 2. Veronica Read
 Caveat emptor! Marion Wood
 Go west for Eden Andrew Tompsett

2000 July-August

Nerine sarniensis or the Guernsey lily Exbury leaflet
 Developments in *Hippeastrum* hybridisation 1799-1999 Part 3. Veronica Read

2001 January-February

Malvern Autumn Show Brian Pingriff
 Scadoxus by any other name! Barrie Ward
 Nerines in the US Midwest James E Shields

2001 April-June

National Collections Roger Beauchamp
 Virus in Nerines Barrie Ward

2002 January-February

Galanthus Trojanus sp.nov Roger Beauchamp
Nerine Cultivar Registration Barrie Ward
 By the way Hamish Sloan

2002 April-May

'Grow Nerines'-review- Roger Beauchamp
 By the Way Hamish Sloan
 Why don't my nerines flower?
Amaryllis flexuosa

There were only 2 Journals in 2001 & 2002

2003 Part 1

Nerine-Information sources	Barrie Ward
Mealybug on Nerines	Andrew Eames
Nerine notes	Andrew Tompsett
Who was Mark Fenwick?	

2003 Part 2

By the Way	Hamish Sloan
On the depth of potting	Roger Beauchamp
Rhodophiala: Jewels from South America	Den Wilson
Stagonospora Curtisii	

2003 Part 3

Floral initiation	Andrew Tompsett
More Caveats	Marion Wood
Tresco 2003 -a dream come true	Ben Clifton

2004 Part 1

Nerine DNA	Barrie Ward
Chipping and twin-scale propagation	Andrew Tompsett
Nerine names	Barrie Ward
South American Amaryllids	Bob Brown
What will happen to my plants?	Barrie Ward

2004 Part 2

The Seramis way	Len Mead
N.bowdenii 'Quinton Wells'	Brian Pingriff
The Hippeastrum- Brazen classic or demure modern?	Mike Garrett
Nerine Eelworm?	Andrew Tompsett

2004 Part 3

Visit to Exbury- my personal account	Joanna Green
How many bulbs?	Andrew Tompsett
Lycoris in Japan	Mike Garrett
Clivia Robusta	Roger Beauchamp
Scarborough lilies	Barrie Ward
Nerine sarniensis cultivation	Andrew Eames
Nerine eelworm-a follow-up	Andrew Tompsett

2015 Part 3

Agapanthus gall midge	Hayley Jones
Nerines and frost	David Tattershall
NAAS Expedition 2015	Caroline Stone
Nerines at Lily Vale	Caroline Stone
The CREW programme	Suvarna Parbhoo
Shire bulbs	Caroline Stone
Micropropagation of nerines	Naomi Beddoe

2014 Part 1

Guernsey visit	Joanna Sadler
RHS Awards for nerines from Margaret Owen	Malcolm Allison
1976 Norris letter spurs new research effort	Caroline Stone
Late flowering nerine sarniensis cultivars	Caroline Stone
Adventures in Holland	Nicholas de Rothschild

2014 Part 2

The Genus Clivia	Mike Jeans
Hardy Crinum	Gertrude Jekyll
Boron deficiency	Steve Eyre
Dutch nerine bowdenii hybrids	Don Palmer

2014 Part 3

Scadoxus	Jonathan Hutchinson
Combinations	Ross Barbour
Fairweathers Nursery	Roy Prior
Agapanthus at Wildside	Caroline Stone
Microprop Day at Rosewarne	Steve Eyre

2015 Part 1

Obituary- Margaret Owen MBE VMH	Caroline Stone
RHS Gold medals	Roy Prior & Caroline Stone
RHS Hardy nerine Trials	Mark Heath
Nerine viruses	Andrew Eames
Micropropagation of nerines	Naomi Beddoe

2015 Part 2

Nerine bowdenii subsp.wellsii	John David
Paramongaia weberbaueri	Malcolm Allison
Extra-mural nerines	Alison Corley
Breeding of nerine sarniensis hybrids	Andrew Tompsett
Breeding of nerine sarniensis hybrids	Sir Peter Smithers
A visit to Sir Peter	Andrew Eames
Cultivation of nerine sarniensis	Sir Peter Smithers

2005 Part 1

The surprising adventures of nerine sarniensis	Sir Peter Smithers
Watering sarniensis and its hybrids	Barrie Ward
Nerine viruses – how much of a menace?	Andrew Eames
Fact & Fiction	Roger Beauchamp
Nerine bowdenii cultivation	Andrew Eames
National Plant Collections	Barrie Ward

2005 Part 2

The Hippeastrum	Mike Garrett
Amaryllids in the monocot tree	Roger Beauchamp
Nerine viruses	Andrew Eames
Pots for plants	Barrie Ward
Varietal susceptibility to disease	Andrew Tompsett
Soil conditions and plant growth	Roger Beauchamp
Temperature and black pots	Barrie Ward

2005 Part 3

Borde Hill	Brian Pingriff
Amaryllids in the monocot tree II	Roger Beauchamp
A Note on Pronunciation	John David
Narcissus Breeding and Nerines	Andrew Tompsett
National Plant Collections	Barrie Ward

2006 Part 1

The Zeal Nerines	Marion Wood
A few brief words on Lycoris	Akira Horinaka
A Hardy Hippeastrum	John David
Compost & Pots for Nerines	Barrie Ward
Propagating Nerines	Andrew Tompsett & Andrew Eames
Cultivar Registration List	Barrie Ward

2006 Part 2

Obituary – Sir Peter Smithers	Andrew Eames
Obituary – Ben Clifton	Barrie Ward
A Cautionary Note on Pot Size	Barrie Ward
Autumn thoughts	Andrew Tompsett
Repotting	Andrew Eames
Some observations on Nerine undulata/alta	Barrie Ward
Amaryllis Magic	Graham Duncan

2006 Part 3

Flower identification	Barrie Ward
Nerine viruses	Andrew Eames
Experiences with Nerines	Bob Shorthose
Amaryllis belladonna	Yvonne Matthews
Nerine undulata – nerine alta	Barrie Ward
Virus table	

2007 Part 1

Society Visit to Kingston Bagpuize	
A Chance meeting	Roy Prior
The Findlater Nerine hybrids	Barrie Ward
Portland Ponderings	Jill M Pitman
Nerine flowering dates	Roy Prior
Notes from the Past 2	Barrie Ward

2007 Part 2

Tony Norris 1917-2005	Barrie Ward
A Tale of recovery	Roy Prior
From disaster to success with Nerines	Louis Scott
A wildflower tour of the Eastern Cape	Rhoda & Cameron McMaster
Lachenalia campanulata & Waainek Wild Flower Reserve	Cameron McMaster
Wild Flower Tours in the Eastern Cape	Rhoda & Cameron McMaster

2012 Part 2

Snowdrop identification	Alina Hughes
The Guernsey Lily!	Andrew Lanoe
Gas heaters	Steve Eyre
Notes on Tony Norris Nerine collections	Sue Bush
'My Garden Diary' 1955	Ken Hall
Hardy Nerine Trials	Andrew Eames & Bob Bray

2012 Part 3

Nerine photography	Nicholas de Rothschild
Potting on Nerine sarniensis	Roy Prior
'The Guernsey Lily'	Andrew Lanoe
True grit	Bob Shorthose
New Constitution	

2013 Part 1

Visit to 'The Patch'	Andrew Eames
Growing amaryllids at Wisley and at home	Paul Cumbleton
Tips, Tricks & Technology	Paul Cumbleton
Brunsvigia Minor	Bill Squire
Nerines in the Kamo Garden	Caroline Stone
James Douglas's 'A description of the Guernsey Lilly' with a modern commentary and bibliography by Dr Helen Brock	John David

2013 Part 2

My passion for Nerines	Chris Edwards
National Collection status for Steve Eyre	Caroline Stone
Rotten roots on your bulbs?	Andrew Eames
A most unusual edition	Martin Morgan
Bulb chipping and twin-scaling	Andrew Eames
Trial of Dutch nerine bowdenii hybrids	Don Palmer

2013 Part 3

Taxonomic changes to genus Agapanthus	Dick Fulcher
Margaret Owen MBE	Caroline Stone
Devon roots to Nerine bowdenii	Steve Eyre & Caroline Stone
Flowering times	Roy Prior
NAAS and the Nerine Registrar	Andrew Lanoe

2011 Part 1

Algarve Amaryllids- Amaryllis 'Galaxy'	Greg Plenty
Nerine pudica	Cameron McMaster
Symbiosis –The Mycorrhizal Association	Roger Beauchamp
Experiments in breeding	Dr Marion Wood
Hybridizing Nerines	Andrew Tompsett
Nerine Hybridizers -19 th Century to present	Malcolm Allison
Snowdrops and Swift Moth	Snowdrop Group

2011 Part 2

IBSA Symposium	
RHS Elections	Barrie Ward
Some Tips	Steve Eyre
Notes from the past 3 – height, colour, season	Barrie Ward
When should you build a new greenhouse?	Roy Prior
Tour of the Eastern Cape, February 2011	Andrew Lanoe

2011 Part 3

Nerine Trial- a reminder	
Clivias from seed	Sue Bedwell
Another hardy Nerine Trial!!	Don Palmer
On the cultivation of the Guernsey Lily...	Andrew Lanoe
Lilian Snelling & the Colesbourne Nerines	Malcolm Allison
Algarve Amaryllis Part 2	Greg Plenty
West Country visits	Martin Tickler
Springbank plants come to Bickham	Steve Eyre

2012 Part 1

Obituary- Tony Kirby	
'Nerines' - a new book	
International Symposium	David Victor
Hardy Nerine Group	Bob Bray
Update of Hardy Nerine Trial	Don Palmer
Wise after the event	Bob Shorthose
West Country visits	Martin Tickler
Springbank plants come to Bickham	Steve Eyre

2007 Part 3

Hardy Nerine Seminar	Andrew Eames
Hardy Nerine Seminar	Roger Beauchamp
History in old catalogues	Andrew Lanoe
Silverhills Seed-1997	Jill Pitman
Agapanthus	Roger Beauchamp
Amaryllids other than Nerines	Bob Shorthose

2008 Part 1

Plant physiology relating to Nerine	Andrew Tompsett
Nerine 'Pink Triumph'	Bob Brown
Know your onions!	John David
Cyrtanthus – extract from Floraculture International	
The 2007 NCCPG Guernsey Nerine Festival	Andrew Lanoe
The description and recording of colour	Bob Brown
Flowering dates 2007	Andrew Eames
Early bowdenii & sarniensis hybrids	John David
Portland ponderings- Agapanthus	Jill Pitman

2008 Part 2

An Appreciation	Reg Wright
Hippeastrelia 'Durga Pradhan'	Andrew Eames
Bud emergence & flowering time	Barrie Ward
Reappraisal of daffodil 'mowing-off' dates	Andrew Tompsett
South African Flora	Mike Garrett
A time to grow (Nerine bowdenii)	Barrie Ward
Nerine viruses- an update	Andrew Eames
Caveat Emptor! – No 2	PC Sceptic

2008 Part 3

Malvern Show 2008	Roy Prior
'The Patch'	Andrew Eames
Visits to Exbury and Newchurch	Andrew Tompsett
A visit to Guernsey	Andrew Eames
Nerine ridleyi	Graham Duncan
Hippeastrelia – a comment	Bert Cook

2009 Part 1

Bulbs of Central Asia	Janis Ruksans
Strumaria	Bert Cook
A horticultural classification for Nerine?	Dr John David
Eucharis amazonica	Tony Kirby
Amaryllids & Co	Mike Garrett
Lachenalia in Cultivation	Dr John David
Rainbow Lilies?	Mike Garrett
Pancratium maritimum	Andrew Tompsett
Caveat Emptor! No.3	PC Sceptic
Apomixis Rules OK- or does it?	Barrie Ward

2009 Part 2

Stanley Smee	Malcolm Allison
Flowering Times 2009	Barrie Ward
Cameron McMaster – SA Bulb talk	David Victor
South Africa maps	
South Africa- the Eastern Cape	Andrew Lanoe
Propagating Nerine	Barrie Ward
Nerine Note	Andrew Tompsett
Cultivar conundrums	Barrie Ward
Photos of Nerine krigei	Andrew Lanoe
Pamianthe peruviana	David Victor
Summer in the shade (or shed)	Bob Shorthose
Narcissus flies	Barrie Ward
Eustephia darwinii	David Victor
Nerine bowdenii on the Lincs/Yorks border	Bob Shorthose
Photos of Cyrtanthus	Andrew Lanoe

2009 Part 3

Reminiscences of a Plantswoman	Yvonne Matthews
Mealy Bug and virus	Andrew Eames
Hippeastrum stylosum	Dr John David
A visit to Dr Marion Wood	Malcolm Allison
Crinum in Cultivation (Part 1)	Alberto Grossi
Nerine Registration- a check list	Barrie Ward

2010 Part 1

Obituary- Len Mead	Barrie Ward
Building on the Hardy Nerine Study Day	Robert Bray
A brief introduction to the late-flowering Nerines	Andrew Lanoe
Further Reminiscences of a Plantswoman	Yvonne Matthews
Hippeastrum garden beds in cold climates	Bill Warren
Winter woes	Barrie Ward
Crinum in Cultivation (Part 2)	Dr Alberto Grossi

2010 Part 2

Margaret Owen MBE	
Botanical Tour of the East Cape	Andrew Lanoe
B...Box	Barrie Ward
Blooms that can brighten dull days	IOW County Press
In search of wild nerines	Cameron McMaster
Stanley Smee and Nerines	Malcolm Allison
Life after Winter Woes	Bob Shorthose
Worse Winter woes!	Barrie Ward

2010 Part 3

Bickham House	Joanna Sadler
Hardy Nerine Group	Bob Bray
Hardy Nerine species, hybrids & cultivars	Margaret Owen MBE
Nerines bred by Stanley Smee	Malcolm Allison
Mealy Bug- a reminder	Andrew Eames
'Grow Bulbs' – new book	
National Plant Collections	Barrie Ward
Why a National Plant Collection?	Barrie Ward
